

Jasir Adeyemi

For 15 years Jasir Adeyemi has consistently maintained a closing of rate of 85% or higher. Additionally he is a six-figure earner. This success has occurred across multiple sales genres. It's the reason why he's referred to as "The Closing King."

His most recent success includes:

- #1 in the state of Michigan for cost effectiveness.
- #1 on his Medicare Sales Team.
- Ranked in the TOP 10 Nationally for the Affordable Care Act.

Jasir's primary goal is to focus on the mental blocks that exist which lead to low closing performance. By removing those challenges you learn how to develop your mental toughness, which is the key to higher sales performance.

Jasir is now willing to share is "Success Selling Secrets," with sales professionals that are **ready** to increase their closing rates. The best part you'll begin to see results in **30-Days or less**. Isn't that great!
